## *President's Message The Ninth Garden Show Opens October 19th, 1989*

The 9th Los Angeles Garden Show preview on October 19th will find LASCA 'dressed to the nines'. Suzie Miller is chairing the opening party and promises a moonlit evening filled with good food and company in an unsurpassable setting. Inside and outside Ayres Hall, there is already a whirl of activity as garden designers, landscape contractors, nurserymen and county staff begin to put together the displays. This year's theme "At Home in the Garden" is especially appropriate for Southern California. It will be interpreted differently in every entry. Whether you call 'home' a house, apartment or condominium, you will find many interesting ideas.

Garden Show judges and representatives of the four major winning exhibits will be guests of the Foundation for the evening. Merlin Olsen, honorary Garden Show Chairman, will present the four major Garden Show awards.

All profits from the 1989 preview party will benefit the Arboretum's new Children's Education Program. Before Proposition 13, LASCA had an extensive education program for both children and adults. As the Arboretum's budget shrank, maintenance of the grounds and the collections had to take precedence over other

*The Garden Show theme is illustrated by the winning design for the entryway created by the UCLA Landscape Architecture Student Association. Visitors will enter through a 100-foot long "house" with walls made of hedges and flowers.*

needs. In 1985 the education program started again, funded by the Foundation. This past summer, children's classes were launched. The response by both parents and children has been positive. A gardening class for children is being held this fall.

A basic fact is that LASCA and all other county institutions have had to depend more and more on their non-profit fundraising arms for essential funding. The Foundation's financial responsibility for the Arboretum has increased immensely in the 80's. This trend will continue to be important to the growth and enhancement of the Arboretum.

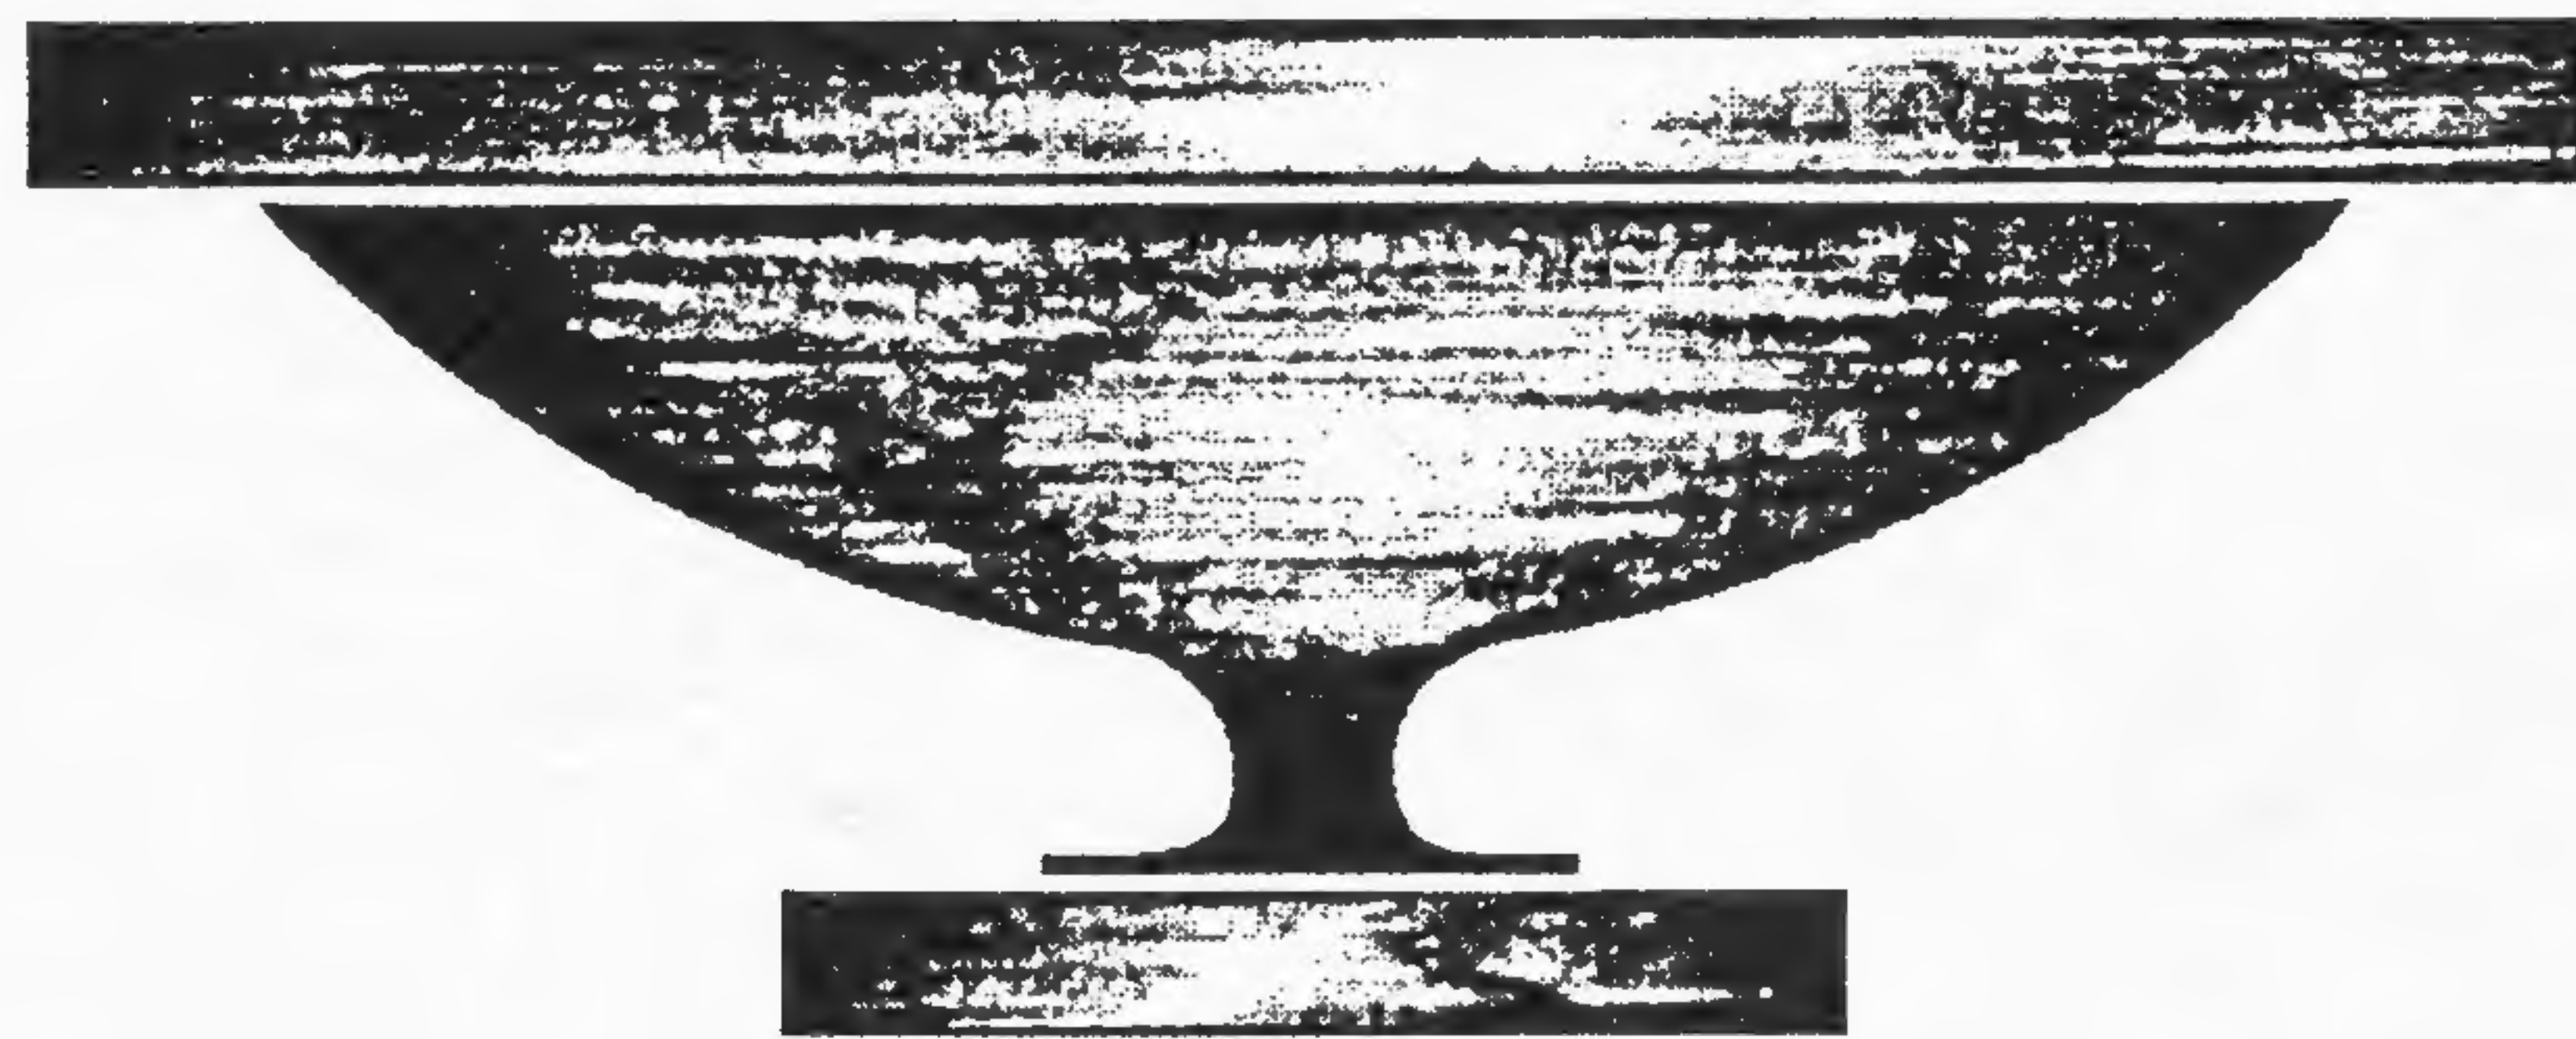

Do not miss the Foundation's party

celebrating the opening of the 9th Los Angeles Garden Show. If you cannot come that evening, come during the following days, October 20 - 29 (hours are 10:00 a.m. to 6:00 p.m.) The important thing is to see the Los Angeles Garden Show. There isn't anything else like it in the Southland! Director Francis Ching, Show Chairman John Provine, Board Member Cliff Comstock and the members of his Steering Committee are all working hard to make this tremendous production a great success.
